

Dear Parents:

This is your invitation to participate in our Birthday Club Program here at Holy Family School. Last year we had 201 new books donated to our library through this program. This program is a fun way to build our library while recognizing a student's special day in a personal and permanent way.

In October, your student will be celebrating a birthday. If you wish to donate a hard cover book please fill out information below and return this form to the office or your child's teacher. It is important the form be returned within seven days to allow enough time to order and receive the book. When the form and donation are received, a special book with your child's interests in mind will be chosen. A bookplate with your child's name and birthday will be placed in the book and a special presentation will be made to the student on October 12th at the Wednesday assembly.

Thank you for your generous support of our library that will enrich our children's lives. If you have any questions or wish to purchase a special book yourself please email Laurie Brant at laurie.brant@hfsj.org.
